To the Occupier,

We hope this letter finds you well.

We are writing to inform you about the removal of play equipment at Brendan Close.

The play equipment will be removed due to ongoing safety concerns. Ensuring the safety of our community is our top priority and unfortunately, the current condition of the play area poses risks that we cannot overlook.

Once the play equipment has been removed, the entrance to the play area from Brendan Close will be fenced off permanently.

The work is due to begin on Monday 28th of October, subject to weather conditions.

Any issues regarding the land after removal of the play area can be discussed with the landowner, Father Hudson's Caritas.

If you have any questions or concerns, please feel free to reach out to: comunities@northwarks.gov.uk

Sincerely,

Eleanor Evans
