Notice of traffic management on B4114 Birmingham Road, Coleshill

December 2024 | **www.hs2.org.uk**

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The work we will be doing

As part of the ongoing preparations for the HS2 railway construction, we will be carrying out utility works on the B4114 Birmingham Road, specifically on a section of the realigned road near the River Cole bridge. Our team will be excavating to install underground ducts and carriageway services required for the road realignment.

To ensure safety during these works, a single lane closure will be implemented, with traffic management in place.

When the work will take place

A single lane closure will be in place with temporary traffic lights from Monday 6 January to Sunday 16 February. The traffic lights will be in place 24 hours a day, 7 days a week, for the duration of these works.
