THE HUB NEEDS YOU!!

So, are you up for a New Year Challenge?

Have you got 3 or 4 hours each week that you could give back to others in your local community?

Here at the Hub, we listen, we support, we assist, we look things up for others, we find a phone number, we help compile a difficult email. We signpost people to other agencies, often specialist services, we care, we are here for others when needed.

Everybody needs some help sometimes, and often the most difficult thing is actually asking for assistance, but we – here the Hub, are kind, patient, accepting and welcoming, we are ordinary people, who do all of the above. We'd like you to join us.

Whilst volunteering at the Coleshill Community Hub you will also make new friends, feel part of the team, learn new skills and maybe find a flair for something new to expand your life. Come along and just meet us, pop in to chat or just to see where we are, you'll be surprised how open, friendly and informal we are. We are still professional and structured, and work within clear parameters, but we are also proud that we have a heart, a conscience and time to provide others with the information, time and support that they might need.

All in all, we are simply doing the best we can, with the issue or challenge that comes to us, to support, care and facilitate the person in front of us. If it sounds to good to be true, just pop in and see what you think, you'll always be made welcome 😊

The Coleshill Community Hub, through the Green Door on Sumner Road, Coleshill, North Warwickshire, B46 3BG. Tel 01675 462517. www.communityhub.org.uk
Open: 10.00 am to 1.00 pm Monday to Friday. All are welcome.
